

TSSC 2023 Thames Cruise

Monday 10th – Thursday 13th July

Whether you have your own boat or book yourself into a hotel, the TSSC Summer Cruise provides an unequalled opportunity to enjoy the pleasures of the Thames combined with the company of friends.

Here's this Year's Itinerary

Monday – Cruise to Windsor. Moor at Eton meadows, rafting up if needed. Early dinner at Côte, Eton

Tuesday – Cruise to Cookham Lock. Group barbeque

Wednesday – Cruise to Hurley lock. 'Bring a dish' supper on the island

Thursday – Fun and games afternoon. Last night dinner at the Olde Bell.

How to Participate

With Your Own Boat – If you have your own boat it's all plain sailing!

From a Hotel Base – To participate to the maximum, we suggest you book a room at the Olde Bell in Hurley from Tuesday through to Thursday night. This will allow you to join us for all events except the first night dinner in Eton.

What to Do if You Want to Join Us

If you will be using your own boat please let us know as soon as possible so we can reserve the necessary mooring space. Please confirm your boat's name and the names of those aboard.

If you plan stay at a hotel please let us know the dates and the names of those who will be staying.

Unless you tell us otherwise, we assume you will be joining us for all events and activities. We will let you know the costs of the group meals etc. in due course.

We really hope you will be joining us for another fantastic summer cruise and, to assist with planning, we would appreciate your confirmation by Friday 31st March.

With kind regards

Mark and Jackie
