Overflow Car Parking at Guildford Cathedral

At concerts and events where the Cathedral is expecting a large audience, we arrange for overflow car parking at the University of Surrey in Car Park 2. Car parking for concerts and events is free of charge. There is a signed footpath to the Cathedral from the Campus, which comes out beside the Cathedral Offices. The path takes you up steps, and is a 10 minute walk from the car parks.

For those who are not able to walk far we advise that you arrive at the Cathedral very early to secure a parking space. It is usually possible to book pre-concert dinners in Seasons, the Cathedral's on-site restaurant; please call them on 01483 563841 for further details.
